Mr Thomas F. Kelly  
City Hall Annex  
Patterson N.J.

Dear Sir:

I am writing to ask you please to confirm the following dates, when The Newark Eagles can play the following scheduled league games in Hinch-cliff Stadium in Patterson N. Jersey.

Sat. May 22 The St. Louis Stars  
Sat. May 29 The Black Yankees  
Sat. June 26 The Cuban Stars

Will the rental terms be the same as last year? We plan this year to start the games much later. It has been suggested 4.30 P.M. would be a good time. It has also been suggested for 6.30 would be the best time. Do you have any opinion in the matter? The idea is of course to try and get the people who finish the days work at 4PM.

It had also been said that our prices were too high last year. Do you think this was so? It is true that some cities are used to getting good entertainment at a low figure and refuse to pay any large amounts.

Is there any organization in Patterson that is in need of financial aid that would work with us on promoting these games. We are all strangers coming into a strange town, and it might be possible a local tieup would help matters a lot.

I will greatly appreciate any advice you may offer.

Very Truly Yours
